EXPLANATION OF PROGRAM FEES*

Enrollment Fee. Covers the interviews, evaluations, orientation, documentation, registration, and contract preparation. \$200 per student.

Technology Fee. Covers the purchase, upgrade, repair and maintenance of devices and technology used in the classroom including MyPath, tablets, laptops, TVs, software licenses and networking. This is an area where we intentionally invest and upgrade every year. We are able to lower the fee this year. \$300 fixed.

Book Fee. Covers the price of books charged by publishers. We do not control these prices. The books are property of Champions Christian Academy. Students are encouraged to write constructively in their books. If a student loses or impairs a textbook or an activity book, they are required to replace it. \$450 fixed.

Printing/Testing Fee. Covers the cost of printing and testing. Our school paid 3rd party vendors \$65 and \$30 per student last year for printing and testing, respectively, to support curriculum and communication. \$100 fixed.

Activity Fee (K-5). Covers the cost of the student's Thanksgiving Family Feast meal, free family admittance to Christmas Around the World, one field trip in February or March coordinated by our office, and one on-campus Field Day in May. \$125 fixed.

Activity Fee (6-8). Covers the cost of the annual God Encounter event in October (e.g. lodging, transportation and conference fees), the student's Thanksgiving Family Feast meal, free family admittance to Christmas Around the World, and one on-campus Field Day in May. \$225 fixed.

Activity Fee (9-12). Covers the cost of the Fall Renewal event (e.g. chaperones, transportation, conference fees and t-shirt), the student's Thanksgiving Family Feast meal, free family admittance to Christmas Around the World, and one on-campus Field Day in May. \$225 fixed.

Sports Fees. Covers the cost of transportation, conference fees, coaches, referees, scoring, scheduling, and uniform cleaning. \$200 first sport. \$150 each additional sport.

Expansion Offering. Is an optional tax-deductible donation for the expansion of the school.

* The total of the program fees is the same as last year: \$975 for the lower grades and \$1075 for the upper grades. The individual program fees are a little different but the total is the same. The tuition is 2-3% higher than last year.
